RIVERS & LANDS CONSERVANCY

Volunteer Seed Collection

Join **Rivers & Lands Conservancy** as we collect seed in the Juruapa Hills and Mary Vagle Preserve! Collected seed will be used to restore habitat for the endangered delhi sands flower-loving fly! This species is endemic to the rare delhi sand dunes habitat. This means it's only found in the cities of Colton, Fontana, Rancho Cucamonga, Rialto, and Ontario, California. With your help, we can restore and enhance habitat for this endangered species. *All ages are welcome to attend!*

Saturday, October 6th, 2018   9:00 am – 11:00 pm

Minors must be accompanied by an adult and under their supervision for the entire event. Wear long pants and comfortable closed-toe shoes. Long sleeved shirts are recommended. Bring a refillable water bottle. Work tools, gloves, and additional water will be provided. Please note there are no restrooms onsite.

Please RSVP with Michael Viramontes at Mviramontes@riversandlands.org in case we need to contact you about event cancellation. If you have any questions about the event please email, or call (951) 788-0670 x1006.

The Jurupa Hills and Mary Vagle Preserve entrance gate is located approximately at the south end of Poplar Avenue (**see page 2 for detailed driving directions and page 3 for a map**).
