

# Volunteer for Oaks! Acorn Planting Event

Join **Rivers & Lands Conservancy** as we plant germinated acorns in the Cienega Canyon Preserve! Over the last decade, oaks in the Preserve have died from drought, pests, and pathogens. The loss of oaks means the loss of food and shelter for wildlife that rely on oaks for their survival. In order to help restore lost oaks, we are planting acorns with weed mats and protective screens to give them their best chance at survival. *All ages are welcome to attend!*

**Saturday, January 12<sup>th</sup>, 2019 9:00 a.m. – 12:00 p.m.**

Minors must be accompanied by an adult and under their supervision for the entire event. Wear long pants and comfortable closed-toe shoes. Bring a refillable water bottle - shovels, gloves, additional water will be provided. Extra shovels are welcomed.

**Please RSVP with** Michael Viramontes at [Mviramontes@riversandlands.org](mailto:Mviramontes@riversandlands.org) in case we need to contact you about event cancellation. If you have any questions about the event please email, or call (951) 788-0670 x1006.

The Cienega Canyon Preserve entrance gate is located approximately at 34200 San Timoteo Canyon Rd., Beaumont Ca 92223 (**see page 2 for detailed driving directions**).
